DEDICATION

To MISS IDA GORDNER AND MR. CLIFTON BRITTON,
our friends and advisors, who have worked so
tirelessly to make possible our annual, with heart-
felt appreciation of all they have done for us, we
dedicate Volume I Number 1 of *Gohisca*.

Class Motto

In unity there is strength

CLASS SONG

Tune: This Love of Mine

Dear Goldsboro High School, we'll stay with you.
 We're right beside you in what you do.
 We'll keep your honors high and give you more.
 You are the school we love and we adore.
 We'll never leave you, our hearts will stay,
 Though some may travel so far away.
 You have our pledge now at last. We'll keep it true.
 The Class of '45 now promise you.

CLASS HISTORY

The Class of '45 was here to make the headlines. Two hundred and four strong, we set to work immediately in defense activities, sports participation, and other school activities.

As freshmen we elected Betty Lou Cox to lead us. Our other officers were Ann Barbour, vice president; Thelma Morse, secretary; Charles Britt, treasurer; Betty Magill and Billy Scott, cheerleaders. Miss Ruby Barrett was our class advisor.

This year the freshmen led the school in many activities. We were the first to top our quota in the Free Lunch Drive, contributed the most to the "March of Dimes," and took part in sports and SA work.

In spring elections we chose Betty Magill president for the sophomore year; Bruce Berkeley, vice president; Anne Stowe, secretary; Bill Shrago, treasurer; Dot Whitley and Mary Lou Donnell, cheerleaders.

As sophomores, we took over war stamp sales. A grand total of \$41,049.15 was sold during the year. Our class led GHS in other war-time activities. We aided the local farmers who were short of help at cotton picking time, sponsored a better health campaign and participated in Junior Red Cross activities. Mrs. Rachel K. Durham was our advisor.

As sophomores we selected our class song, "Dear Goldsboro High School." We chose the red rose as our flower and "In unity there is strength" as our motto.

In spring elections Charles Britt was chosen to lead us through our Junior year. Martha Gasque was elected vice president; Marilyn Handley, secretary; Mary Gardner Pate, treasurer; Ann Barbour and Mildred Highsmith, cheerleaders.

Upper classmen at last! Miss Janie Ipock was our class advisor this year. Early in the fall Peggy Blaylock was elected vice president due to the resignation of Martha Gasque, who had moved away during the summer vacation.

As Juniors we participated in war activities, sports and SA work, and carried on the traditional Junior activities. At Christmas time we presented the "Byrds' Christmas Carol." Our Junior play was "Mrs. Moonlight." This colorful pastiche by Benn W. Levy was directed by Mr. Clifton Britton. The students voted it the best three-act play of the year as well as the best costumed. In May the Juniors entertained the Seniors. This annual reception featured the stars.

The Juniors received many honors. Twenty marshals were selected on the basis of scholarship. Five Juniors were tapped into the NHS and one made the Quill and Scroll Society.

We chose Senior Class officers at the close of the Junior year. Pete McDowell was elected president; Erskine Pope, vice president; Jerry McArthur, secretary; Linwood Braswell, treasurer; Tootsie Powell and Mary Goode Nufer, cheer leaders.

As Seniors we eagerly took over our tasks as the leaders in GHS. We held responsibilities in the SA, Goldmasquers, sports program, war activities, and on the *Hi News*. Miss Ida Gordner and Mr. Clifton Britton were our class co-advisors.

The possibility of an annual was investigated by the class; the *Gohisca*, the first GHS annual in twenty odd years, was the result. A number of hard working seniors helped to put over the project.

The seniors began graduation plans early. Senior pictures, invitations and calling card orders were completed in February. Dr. H. S. Hilly, President of Atlantic Christian College, accepted an invitation to deliver the commencement sermon. Allen Langdon Martin's "Smilin' Through," the Senior Play was presented on May 24 and 25 under Mr. Britton's direction.

So we come to the final pages in the history of the Class of '45. For four years we have strived for this moment. We now leave, never to forget the four happiest years of our lives in the school we love best.

—JEAN PYATT, *Historian*

CLASS PROPHECY

Come in. Why, Jerry McArthur! What in the world are you doing in New York? The teacher isn't skipping school again, is she? Well, sit down and tell me all about yourself . . .

Now that I know all about you, let me read you a letter I've just finished. It's to Jane and I gave her all the news about the crowd . . .

June 8, 1952

Dear Jane,

It was wonderful hearing from you again and I think you are the luckiest thing to get such a man for a husband. I'm glad the wedding turned out so well, but I'm sorry I couldn't be there for it. I was working on a census which had to be finished and I just couldn't get away.

I know you remember how we used to talk about the future and what we would be doing. Well, I've got the latest dope on all the crowd. I was walking down the street the other day and whom did I run into but Linwood Braswell, who is a certified public accountant, working in Charles Britt's big firm in New York. We had quite a talk and he told me that he had been to a party given by Margaret Dumas, who is a dancing teacher now and really stepping out. At the party he saw Henry Lee, Roy Purser, Hubert Rose, and George Wilson. Believe it or not, all four are big business men and doing fine.

The funniest thing happened while I was taking the census. I went to a darling house, which by the way had been designed by our own Earl Dickerson, and guess who answered the door? Edna Edwards, a teacher now. I was so surprised to see her that I didn't even notice Ann Bizzell come in. She's a teacher too, and then to top everything Nelle Cook, Mary Gardner Pate, Thelma Morse, and Jean Powell came in. Of course, they are teachers, but the funniest thing was the way we used to say that Jean wouldn't be an old-maid teacher. Well, dear, she is and she loves it. She says that she is better off without a man to get in her way. I may not know everything but I like my man. Speaking of men, Betty Lou Cox and Mary Goode Nufer, each got her one and only. I hear they make good housewives although *I've* never tasted their cooking. Gertrude Lewis is married too, but marriage doesn't seem to keep her from being a good business woman. And as was expected, Dorothy Whitley did wait until "he" came back and now they have the cutest house.

Last week at a musical show, Harriette Thompson sang. She was wonderful, and so was Anne Stowe, who accompanied her. Afterwards I had a long talk with them, and they said that Eldridge Keen is making a hit singing. Later we saw Ed Best, Robert Mitcham, and Neil Ragan, who are interns at the City Hospital in New York. Robert said that Pat Denise and Max Stith are taking their internship at Johns Hopkins Hospital in Baltimore, that Wendell Edgerton and Bill Shrago are studying medicine, and that Doris Byrd, Myra Rogers, and Margaret Thomas are Cadet Nurses. Dorothy Bass, Barbara Dillon, Doris Fulghum, Myrtle Hobson, Annie Miller Howell, Annette Toler, Rachel Vinson, and Irva Mae Williams are also nurses, and Peggy Blalock is a social worker.

On my last trip home I went by Washington, and I saw Helen Hare, Evelyn Sutton, and Susan Ward, but I never thought they would be working for the FBI. Yes. Working for the FBI. And Vivian Grant is working in Washington and so is Rayford Lanier, who is a War Department file clerk. Is Jim Webb anywhere near Washington? I wouldn't know, as I haven't heard from him in ages. But getting back to my trip home, I'll just say I flew, and you know how I am about flying. Well, Belton Lewis and Lloyd Sullivan were the pilots on the plane, so I felt more at ease. Marie Nelson was on the same plane and she said that she was still traveling and having a wonderful time. Just imagine, traveling all the time for pleasure! While in Europe she saw Jackie Crumpler, who is doing Post War Reconstruction work and Harry Lane, who is a newspaper reporter for the *New York Times*. Speaking of the war, our class made quite a contribution toward winning it. Bobby Ellis, Mark McLawhon, and Leon Perry were in the Navy; Earl Davis, Joe Jackson, Sonny Savage, and M. J. Strickland were in the Merchant Marines; Chubby Bridgers and Lester Gordon were in the Marines; George Combs, Barney Cotton, and Carol King were in the Army Air Force, and Charles Frick was a navigator for Carol. I'm proud of the boys, but I'm proud of the women too. You see, we had four Navy Nurses, Marjorie Cheever, Annie Forehand, Esther Jones, and Eunice Southerland; a laboratory technician, Sarah Sadler; and a chemist, Gloria Davis.

Bernice Mazingo, Betsy Smith, and Helen Winslow are big business women now and Helen has Marilyn Handley and Frances Tew as her private secretaries. Something I won't ever forget is how we used to tease Betty Lee Fail, Millie Highsmith, and Tootsie Powell when they said they wanted to be secretaries for good-looking bosses, but I never dreamed they would get them. Why Betty Lee even married hers. I wonder what kind of bosses Barbara Davis, Evelyn Hill, and Flora Hinnant have. Evelyn and Flora are bookkeepers, and Barbara does general office work. Some

CLASS PROPHECY CONTINUED

other secretaries are Dorothy Davis, Barbara Denise, Josephine Herring, Janet Lowrimore, Hattie Ham, Mary Emma Malpass, Josephine Sears, Frances Strickland, Ann Warren, Dorothy Wiggins, and Dollie Underwood. Oh! Have you seen your husband's secretary or aren't you interested?

The other day, I read an article in the *Raleigh News and Observer* written by Jean Pyatt, a journalist, concerning an Engineers' Convention in Columbus, Ohio. I learned that George Armstrong is a chemical engineer, Jack Caudill, a civil engineer, and Eugene Lashley, an aeronautical engineer. Also, Urban Roberts is an electrician and Bruce Berkeley, Franklin Martin, Pete McDowell, Erskine Pope, and Donald Sullivan are electrical engineers.

I had a letter last week from Thelma Jeffreys, who is living with her cousin in Hollywood and modeling. Just imagine Thelma modeling. She said that Dorothy Gainey is a swimming instructor, that Dorothy PerMar is a dress designer, and that Alice Gentry and Frances Sauls are beauty operators. Huldah Powell, an artist, and Mary Lou Donnell, Rae Helsing, and Zeno Spence, who are working in commercial art, are there too. It seems to me that they have practically everything in Hollywood now.

"To be a good citizen and never be a rich man," is quite an ambition for anyone and especially for Billy Ellis. But, no joke, he is working in a way that is very different from the old Billy in high school. He has fulfilled his ambition too. Joe King isn't doing so bad either, as he is a Super Duper Automotive Parts dealer, and neither is Harold Brown, who is a refrigerator mechanic. Just think of it, our dear ole class is represented in Congress by Gatsey Butler, a journalist, and in China by David Ham, a missionary.

Charles Barnes, Robert Boyette, and Bill Weathers are really outdoor men. Charles is a trapper and hunter, Robert is an agriculturist, and last but not least, Bill is buying and selling dogs and horses, and has some side business in tobacco. Our outdoor sportsmen are George Hallow and Elijah Vinson, who are professional baseball players; Donald Malpass, who is a professional football player; and Tommy Davis, who is a professional football and baseball player. But Marjorie Allen, Mary Farfour, and Mickey Wellons are far away from good old "terra firma," as they are fliers.

Jane, just think, today, June 8, is our seventh anniversary as graduates from GHS. I don't think I will ever forget those wonderful plays we had while there. Remember Ira Montague? He's working in radio dramatics. And Liddy Bet Myatt? She's an announcer and program director. Also Betty Magill, who is directing the latest musical hit on Broadway. I guess Betty is happy now that she has her music and dramatics. Roy Pike and Carl Rice are radio technicians; Anne Parker, a radio accompanist; and Billy Daly, a radio announcer. Turn your radio on and listen to NBC sometime as it will give you a great thrill to hear them.

Well, I guess that takes care of our crowd, the Class of 1945. They have turned out to be good leaders in this big world, and in my opinion, the class is all that you could ask for.

By the way, when are you coming to see us? Make it as soon as possible as I am "dying" to see you. But enough of this is enough, so I will close. Don't forget to give my love to the family and tell them to write and you write too.

Love,

Ann

... Well, Jerry, what do you think of the letter and what do you think of your class? Gee! We had some good times at GHS and I don't believe anyone will ever forget the Class of 1945. I know I won't forget it, or any of the things it has done. But, for a while let's say "so long" to a wonderful class, the Class of 1945.

—ANN BARBOUR, *Class Prophet*

TESTAMENT

WE, THE CLASS OF 1945, having in our ranks a few sound minds and bodies, do hereby make this our last will and testament.

TO THE INCOMING SENIORS, of whom there are none, we leave nothing.

TO THE RISING JUNIORS we leave our excellent faculty in hopes that they will profit by their teachings.

TO THE RISING SOPHOMORES we bequeath our dignity, trusting that they will keep it unblemished.

TO THE INCOMING FRESHMEN we will our best wishes for a successful high school career, and our colors, red and white.

TO MR. TWIFORD we leave our thanks for all that he has done for us.

PERSONAL BEQUESTS

Having duly disposed of our class property, the following individuals wish to bequeath the following items of personal property:

BETTY LOU COX leaves her 100 pounds to Anna Frank Strosnider, who may find some use for them.

RAE HELSING wills her ability to tell "jokes" to that sharp little number, F. W. Stanley.

ANN PARKER bequeaths her numerous alibis to that little freshman, Polly Edgerton, who is forever neglecting her studies.

HULDAH POWELL leaves her towering stature to that short, stumpy Libba Ann Kornegay.

CAROL KING wills his CAPC master sergeant's stripes to that everlasting private, John Riggs.

THELMA MORSE leaves her ability to get by without homework to Lawrence Carr, who could use the homework.

HENRY LEE bequeaths his pegged pants to Leonard Collins, who might be able to make a whole wardrobe from them.

That introvert (?), CHARLES BRITT, leaves his quiet manner to that boisterous, rising Sophomore, Davis Byrd.

GATSEY BUTLER leaves her ability to blush to that audacious creature, Ruth Edgerton.

DONALD MALPASS leaves his cue stick (with chalk) to Charles Shumate.

IRA MONTAGUE hereby wills one spare tire and inner tube with four holes to Herbert Howell.

BETTY MAGILL leaves her ladylike lope to any girl who wants to hear the wolves howl.

"GOODIE" NUFER leaves her place on the cheering squad to that boisterous and peppy rising Sophomore, Mary Ann Ward.

TOOTSIE POWELL wills her ability to steer clear of men to Fay Branch.

BILLY ELLIS leaves his basketball ability to Travis Rose, who surely could use it.

URBAN ROBERTS bequeaths his dainty figure to that person who may be able to use it, George Hinnant.

GEORGE WILSON leaves his beautiful wavy hair to straight-haired Dan Bernstein.

JERRY MCARTHUR wills her driving ability to calm and cool Leah Lloyd Riggsbee.

The second Harry James, MAX SMITH, bequeaths his first trumpet position in the GHS Swingsters to that rollicking hep cat, Sonny Edwards.

ROBERT MITCHAM wills his short German haircut to Billy Ray, hoping that it will be an incentive for Billy to visit the barber.

MARK MCLAWHON bequeaths his long list of tardies to John Braswell.

GEORGE COMBS, being in a clear state of mind (?), hereby leaves his most treasured pranks to the most studious underclassmen.

BILL WEATHERS wills his trigonometry book to any unfortunate person who dares find it.

PETE McDOWELL leaves his Model A "Bessie" to anybody with a little sense and a good long siphon hose.

MICKEY WELLONS bequeaths her four extra units to anyone who needs them to graduate next year.

BERNICE MOZINGO leaves her tasteful spot in the stag line to bashful, unpopular Carlotta Stanley.

BRUCE BERKELEY leaves his hat to the person who stole it.

ZENO SPENCE leaves his apologies to Bruce for what happened to his hat.

WE, having been duly elected co-testators, do hereby affirm and sign this document as the last will and testament of the Class of 1945 on this, the 20th day of February, in the year of our Lord nineteen hundred and forty-five.

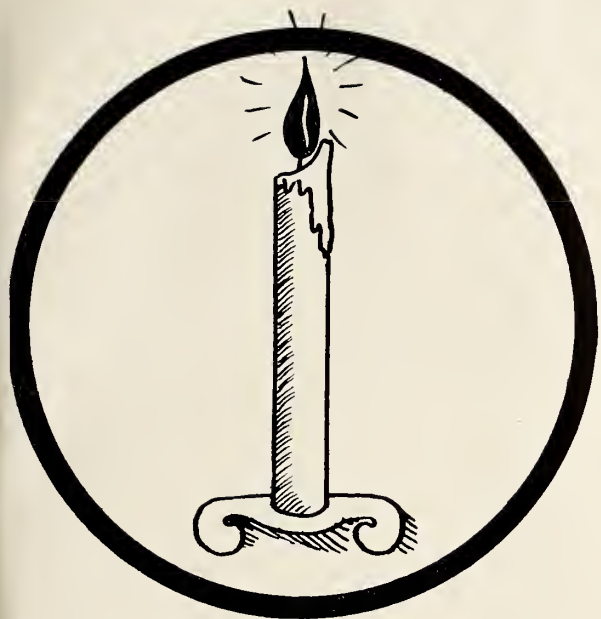

Signed: Zeno Spence

GOLDSBORO HIGH SCHOOL is now in the process of changing from an eleven-year to a twelve-year school system. The Class of 1945 will be the last class who may choose to graduate or return for the twelfth grade. During this changing process there have been only three large classes in GHS. This year there are only a few Juniors. In 1947 the operation will be completed and the eleven-year system will be a thing of the past in Goldsboro.

SOPHOMORE CLASS

CLASS SONG

Tune: Madelon

When other classes loud their anthems raise,
We lift our voices high in fervent praise,
For the Class of '47 cheer,
For its fame will grow with every passing year,
We're ever loyal to the green and white,
Ever we strive to win with all our might,
Class of '47, proud are we—
To belong—hear our song—
Praise to thee—

THE CLASS OF '47 will be the first class of Goldsboro High School to graduate under the twelve-year system. There are only a few juniors this year, and so next year's senior class will be very small. Therefore the Class of '47 will have to assume the responsibility of leadership in the school for two years.

(Best luck to a swell girl named Basch)

FRESHMAN CLASS SONG

Tune: *Ivory Palaces*

Oh, class of yellow and white, to you
We sing our song of praise;
May we bring honor to your name;
To your colors all our days
We raise our voices; let them swell
In chorus strong,
The towering pines echo the sound
Of our triumphant song.
All honor to your name, we give
And love we pledge anew;
Unfailing loyalty we bring,
Oh, Goldsboro High, to you
Dear Goldsboro High School,
We pledge our love, and
By courage and by purity
We'll be forever true.

GLEE CLUB ACTIVITIES 1941-1945

The GHS Music Department strives to cultivate a desire for music in each individual. In doing so it is creating an appreciation for music.

Under the direction of Mr. Palmer C. Holt in 1941-42 we began our musical performances, presenting miscellaneous programs to civic clubs, to other organizations, and to the student body. Inspired by the students' appreciation, we advanced by competing in the State Contest, held at Greenville for high schools in the eastern part of the state. GHS received the honor of having a Class "A" Glee Club and brought back several certificates. This encouraged us to go further the next year, but because of the war we were unable to attend the festival.

Miss Margaret Whittington directed us in our study of classical music in our Sophomore year. Miss Whittington introduced the study of opera. During this study she read operas and played recordings from the stories. Our out-side work consisted of reading operas and the lives of famous musicians, preparing for oral reports given on class. Singing without the piano was a lot of fun, and we found this out by learning to sight read, studying the scale, time and value of notes.

That year Susan Lupton, our pianist, gave a concert to the student body and citizens of Goldsboro. We were fortunate to contribute to the war effort by entertaining the boys of the Seymour Johnson Field Hospital and the USO. We also gave a variety of radio programs and many assemblies on the occasion of holidays.

Our Junior year was very successful with Mrs. Ruth Hamilton as our teacher. We tried to unite the Glee Club and the student body by having chapel singing. We studied orchestras, their leaders, and plays. We learned to identify opera stars and took up the study of musical instruments. In celebration of National Music Week in May we sponsored a drive for instruments for war veterans.

This year we have been fortunate to have Mrs. Dewey Slocumb as our teacher.

Our work deals for the most part with solo and group singing. Once a week we have a talent show giving each student a chance to participate. This has proven very successful. We are looking forward in taking part in the Commencement exercises; our group will form the choir for the commencement sermon.

Our enrollment has increased every year, and we feel that is an accomplishment, since music brings happiness to the individual.

The course in Distributive Education was organized in 1941 in Goldsboro High School. Its purpose is to enable workers in distributive occupations to improve themselves occupationally and to make progress in their field of employment. Since its beginning it has proved to be very successful, aiding the students and merchants and bringing the school and community closer together.

DE students have classes in Distributive Education each day in addition to two other classes, one of which must be English. They are in school until twelve-forty, when they leave for their respective jobs at which they work at least fifteen hours a week. For this course they receive three high school credits. In order that each student may be placed in the job best suited to him, the individual's personality is studied in class. Then the student makes a special study of work related to his job. He also learns salesmanship, store organization, and management. The student is supervised by the coordinator while at work. The employer of each DE student grades the student he has employed; the report is given at the same time that the school report card is issued.

The types of work in which the students are engaged are not limited. They are employed in department stores, variety stores, drug stores, grocery stores, newspaper office, laundries and fill-in stations.

In 1941, their first year, DE students earned over four thousand dollars and received training and experience that was invaluable. The following year this amount was more than doubled, the boys and girls earning almost ten thousand dollars. Last year they continued their excellent work, exceeding their total for the previous year.

Because of their splendid work the previous year merchants were eager to have DE students to work for them in 1942. That was the year that Goldsboro was turned into a "soldiers' town." Due to the overcrowded town, new problems presented themselves to those dealing with the public. In order to cope with the situation, the students were taught how to handle several customers at a time; how to understand those from different parts of the country; how to answer innumerable questions about war regulations; how to explain inflation and its dangers; how to care for their own clothes; how to make what they had to; and how to be loyal regardless of difficulties.

A total of 105 people has taken the Distributive Education course since its beginning. In 1941-42 there were 22 students; in 1942-43 there were 35; in 1943-44 there were 27; in 1944-45 there were 21.

Miss Frances Bayne has been co-ordinator of Distributive Education for the entire four years that it has been a part of the Goldsboro High School program. Her fine work in guiding and instructing her students has contributed greatly to the success of the department.

The DE students have not only gained a great deal personally from their work, but they may have the satisfaction of knowing that they have contributed to the war effort in their community.

DIVERSIFIED OCCUPATIONS

Earl Davis, Carol King, Bobby Ellis, Graham Justice, Aubrey Aycock, Joe King.
Milton Futrelle, Carl Rice, Sonny Savage, Harold Brown, J. D. Best, Custis Perry.

WHO WE REALLY ARE . . .

We students of the DO course think ours is the course which prepares for the most essential jobs in the life of a modern community. We leave it to anybody to decide whether it would not be hardest of all to do without us and our services in the modern American community. You can take out other kinds of people and still have a community, but it will be of some ancient kind. We make a community modern.

We make some other things too. To our principal we are a special problem. To our teacher we are impossible. But what do you expect us to be when we are just "Saucy" Aycock, "Scooter Jake" Best, "Hunting Hank" Brown, "Squirrel" Davis, "Bobby Sweet" Ellis, "Air Filter" Futrelle, "Ain't No" Justice, "Herr Von Kink", "Last Night Joe", Carl "Grits", "T. Pet" Perry, and "Win the War" Savage. The 64-dollar question is whether we will ever be the same again, when we no longer have "Jasper" to tell us to do what we don't want to do.

WHAT WE REALLY ARE . . .

The course in Diversified Occupations is one of the cooperative school-work programs of Goldsboro, aimed at bridging the gap between school and work. It seeks to aid those students interested in learning the skilled vocations dealing with the manufacturing, or service, of the products of modern industry.

It represents the cooperative effort of the industrial interests of the community and the school to develop the young boy or girl of suitable aptitude and above average ability into a skilled, capable, and responsible person, ready to take his or her place as a full-fledged member of the operating personnel of a business immediately upon leaving school because she or he has already had the experience as well as the training.

This type of educational endeavor, in which the business firm furnishes the shop and the training in practical experience and the school furnishes the facilities for classroom training in the fundamental and technical information, is one of the notable accomplishments in modern cooperative school-community education.

MEMBERSHIP PLEDGE

I promise to uphold the ideals and standards of the Goldsboro High School Varsity Club at all times. I will fulfill the duties and accept the responsibility expected of me to the best of my ability. I pledge myself to be loyal to the Club and to the school.

Tommy Davis, President; Pete McDowell, Vice President; Henry Lee, Corresponding Secretary; George Hallow, Recording Secretary; and Billy Ellis, Treasurer.

TWO YEARS OLD

THE VARSITY CLUB is the athletic organization for boys. It is made up of boys who have won letters in one or more of the major sports, football, basketball, and baseball, and who have been voted worthy of membership by the other members.

The Varsity Club was first organized last year by members of the old Monogram Club under the direction and guidance of Mr. Clifton Britton, advisor. The boys elected as their officers Mac Lewis, president; Erskine Pope, vice president; Ernest Graham, recording secretary; James Renn, corresponding secretary; and Leon Perry, treasurer.

Throughout the year the Varsity Club cooperates as fully as possible with other school activities and sponsors a play and a dance which give athletes a chance to try their mettle off the field or court. The climax of the year's work comes with the presentation of the Varsity Club play, followed closely by the Varsity Club dance.

From all Senior girls one is selected by the members of the club who is officially titled the Varsity Sweetheart. The Sweetheart is presented at the Varsity play and again at the Varsity Sweetheart's Prom. Last year's Sweetheart, Sallie Lee, was announced at the presentation of "The Skull." This year's Sweetheart, Marjorie Cheever, was presented between the second and third acts of "The Milky Way," the Varsity Club play.

The first formal dance in the history of GHS, a beautiful affair given last year by the Varsity Club, was a big success. The boys are determined to make this year's Sweetheart's Prom even greater.

This year the club is again under the guidance of Mr. Clifton Britton, director of dramatic art, and Coach Norris Jeffrey, director of athletics. The present officers are Tommy Davis, president; Henry Lee, recording secretary; George Hallow, corresponding secretary; and Billy Ellis, treasurer.

We hope that in the future the athletes of GHS will continue to uphold the ideals and traditions established by last year's Varsity Club.

EARTH QUAKE RUMBLES—

Coach R. N. Jeffrey of Goldsboro High began his 1944 Junior football season with approximately twenty-five inexperienced boys attending practice.

Having practiced for about a month, the Junior Quakes were ready for their first real football game. However they were not as successful as they had hoped, winning only one game, tying one, and losing four.

The only victory was over Kinston with a score of 14-12. A tie, 0-0, was the result of their second contest with Kinston. In the following games, the Quakes were defeated by Wilson 14-7 and 27-7; by Rocky Mount 6-0 and 13-0. And, so ended their first season; but the boys are eagerly looking forward to greater success next fall. The Junior Quakes appreciate the interest and hard work of their Coach throughout the past season.

The starting lineup was: Ends: Donald Pike, Billy Johnson, and Hugh Pope; Tackles: Henry Edwards, Edward Reeves, and Donald Myers; Guards: Jack Wilson, and "Clip" Noble; Center: Miller Eason; Backs: Benny Bennett, Myron Ennis, Kenneth Waters, and Charlie Wiggs. For various reasons some substitutions were made in the above lineup.

Junior Basketball

Raymond Gray was a forward on the squad, ending the season by playing a fine game against Wilson. Liked by all, Ray plays a good clean game and exhibits good sportsmanship.

Robert Klutz, better known as "Cotten", played center on the Junior basketball team, and was its leading scorer. He is the only eighth-grader on the team, and although he was sick and missed several games, he played well all season.

"Curtis Lancaster," who played at guard was promoted to the Varsity squad for its last game. "Curt", as he is called by his teammates, played a fine all-round game this season, and is good material for Varsity basketball next year.

Gerald Massengill, the scrappy forward of the team, played good basketball all season. He put his all into the game, and really worked hard. Gerald worked hard at practices and deserves praise for his efforts.

Totals: 229	299

Clifton Noble did a fine job of playing center this year, filling in for "Cotten" when he was sick, and in every game. He has displayed a true love for sports on the basketball court, as he also did on the gridiron. "Clip" played a good game and did a lot to hold the boys together when the going was tough.

Travis Rose played forward position, and did a fine job. Many times during games Travis would steal the ball and carry it down-court. Travis will probably succeed his older brother on the Varsity squad next year.

Jo Rosenthal, playing second-string guard, did a nice piece of work this season. Although he didn't shoot much, he showed good team work and love for the game.

Charles Shumate, who has such nicknames as "Tut" and "Lightnin'," played forward on the team. Although he is shorter than most members of the squad, he displayed good floor work and excellent sportsmanship.

Durwood Stafford, known as "Speed", played a good brand of basketball this year. He showed lots of fighting spirit and enjoyed the game very much. He didn't play very much, but displayed lots of scrap and energy when he was on the court.

Charles Wiggs played at guard position on the team, and proved himself to be a good ball-handler. Charlie also played Junior football, and has the makings of a fine all-round athlete.

Those going out for Junior basketball but not making the team were: Tommy Beamon, Leslie Britt, Gordon Davis, William Heeden, Junior McRoy, Ottis Pate, and Fred Tyndall.

Identifications

FIRST ROW: Junior McRoy, Charles Shumate, Gerald Massengill, Durwood Stafford, D. C. Rouse.

SECOND ROW: Travis Rose, Ottis Pate, William Heeden, Fred Tyndall, Leslie Britt.

THIRD ROW: Coach Norris Jeffrey, Charlie Wiggs, Clifton Noble, Curtis Lancaster, Robert Klutz, Jack Wilson.

Going East?
NO!
Going West?
NO!
Gonna Win?
Oh, Yes!

O. K. Goldsboro,
Get on the beam!
We know you're good
'Cause you're our team,
The end, tackle, center,
and guard,
Come on, team, and hit
'em hard!

Who's got a good team?
We've got a good team.
Who says so?
We say so.
Fifteen rahs for the
Earthquakes!
Rah, rah, rah, rah, rah
Rah, rah, rah, rah, rah
Rah, rah, rah, rah, rah
Earthquakes,
Earthquakes,
Earthquakes!

Yea, blue!
Yea, white!
Yea, team!
Let's fight!

GOLDSBORO HIGH SCHOOL SONG

There's a song in the air,
Goldsboro High School;
We can hear it everywhere,
Goldsboro High School.
In your school or at home
Any place you chance to roam,
Goldsboro, Goldsboro High School!

Chorus

Then hurrah for our school
Let us sing; let us sing;
And we'll up with a cheer
Let it ring; let it ring;
For we're faithful and true
To our colors white and blue,
Goldsboro, Goldsboro High School!

II

Though we're mighty hard to beat,
Goldsboro High School;
Yet we bravely bear defeat,
Goldsboro High School.
We go forward, yes, we do,
And the cause is due to you,
Goldsboro, Goldsboro High School!

They haven't got the rhythm;
They haven't got the jazz;
They haven't got the team that
Goldsboro has.
We're from Goldsboro. Haven't
you heard?
When we say our team's good,
"Solid" is the word.

Say? Say What?
That's What!
What's What?
That's what they all say!
What's what they all say?
B-E-A-T B-E-A-T
Beat Wilson!

Boogie Woogie,
Duckwalk down;
Goldsboro High School,
go to town.
Swing to the left,
Swing to the right.
Goldsboro High School,
Fight, fight, fight!

Locomotive, locomotive,
steam, steam, steam!
Pull together, pull together,
team, team, team!
Locomotive, steam!
Pull together, team!
Our high school is on the
beam!

We want a basket
Basket, boys,
You make the baskets;
We make the noise!

THE GOLDMASQUERS

THE GOLDMASQUERS were reorganized during the winter of 1942 with twenty-six members. The purpose of this organization is to give its members practical experience in interpreting and producing outstanding plays, to promote community interest in the dramatic activities of the school, to develop the creative talent of the students of the school, to encourage the reading and witnessing of better plays, and to promote an enthusiasm for the drama in all its phases.

During the 1944-45 program, the Goldmasquers produced *Out of the Darkness*, an original allegory by Frances Alexander, '44, James Hilton's *Lost Horizon* and collaborated with the Varsity Club on *The Milky Way*, and with the Seniors on Allen Langdon Martin's *Smilin' Through*.

The Goldmasquers is a member of the Carolina Dramatic Association and of the National Thespian Society.

Kitty's Honey,

I love you so much, you just
don't know!!!! I really remember the
day we waited for these things gosh!
so I just gotta write in here to make
it worth all that trouble - HA!
HA! Good Luck always Honey and
always stay as sweet as you are
now (hub)

Lots of love Always,
Adda Lewis

Best of luck to
you always
Ralph Wigg

Best wishes
Mrs. Herndon
